In order to enroll a newborn child, the plan must receive a completed and signed enrollment form within 60 days of the date of birth. If the child is enrolled within 30 days of birth, no additional premium will be charged for the first 30 days of coverage. If the child is enrolled between 31 and 60 days of birth, additional premium for the child will be charged from the date of birth. For newborn children timely enrolled within 60 days of the date of birth, coverage shall be effective as of the date of birth. If the newborn child is not enrolled within 60 days of birth, the newborn child will not be eligible to enroll until the next open enrollment period. You must enroll your newborn within these time periods regardless of whether your coverage is family coverage.
